2 pages

- 1 So you are cruising toward Cape Town on the M6 - Victoria Drive. You've gone over Suikerbossie and are now traveling along the coast, Atlantic Ocean to your left, the Twelve Apostle mountains to your right. Enjoy this road, it's one of Cape Town's finest.
- 2 Wow, what an epic road. The open stretch ends and you get into Bakoven (the first suburb before Camps Bay).
- 3 Take the first right and follow this road to the t-junction, 3-way stop.
- 4 Turn RIGHT onto Camps Bay Drive (M62). Enjoy its twists and turns as it doubles back towards the city. Follow it all the way up until you're in the saddle between Lion's Head on your left and Table Mountain on your right.
- 5 Now you are descending down Kloof Nek. Follow this road all the way down until you reach your second set of traffic lights.
- 6 Turn right down into Buitensingel.
- 7 And then your second left into Bree Street.
- 8 Travel about 4 or 5 blocks keeping an eye out to your right and voilà! you'll see the big black THULE signage above the entrance to the Load & Go store and drive-in fitment centre.
